

## Our Commitment to You

The Board of Directors and Staff at Hancock County Senior Services are committed to ensuring the health and well being of the seniors of Hancock County. That is why we have partnered with Abbott Laboratories Nutrition Product Division to bring Ensure and Glucerna dietary supplement products to you. These products “ensure” you are getting added nutritional value in your diet.

These supplemental products are sold at our office at 647 Gas Valley Rd., New Cumberland, WV and are available to seniors of Hancock County ages 60 and older and disabled residents of Hancock County ages 18 and older.

## ENSURE™

Ensure Plus and high protein are ready-to-drink nutritional shakes manufactured by Abbott Laboratories. With selections like milk chocolate, strawberry and vanilla, there's bound to be a flavor you'll enjoy. This

8-ounce beverage is high in calories and protein to promote weight gain or maintenance of a healthy weight.

Though Ensure Plus and high protein may be associated with the nutritional needs of the elderly, these products can aid anyone who would benefit from extra calories. If a chronic medical or health condition has decreased your appetite or ability to eat, products like Ensure Plus and high protein can help fill the gaps in your diet either on a short-term or long-term basis. Nutritional shakes like Ensure Plus and high protein can bridge the nutrition gap when eating enough food is not feasible.

## GLUCERNA™

For those with Diabetes, Glucerna products help manage blood sugar levels.

Glucerna shakes contain ingredients that contribute to blood glucose management and support cardiovascular health. They come in a variety of flavors including vanilla, chocolate. Call for availability.
